- **Description:**

Bristol Hospice cares for people at the end of life in their homes and in their Springfield facility.

- **Opportunities:**

Provide companionship to people at the end of life.

- **How best to contact them?**

Call or email volunteer coordinator, or fill out online form at bristolhospice-eugene.com/join-us/volunteer/

- **Training Required?**

Training/orientation is required, and can be done online or in person.

- **Background Check Required?**

Yes, along with reference check, drug test (we don't test for marijuana), TB test, N95 respirator fitting, and proof of vaccinations.

- **Volunteer Application:**

We first interview, then invite individuals to apply.

- **Protocols during COVID?**

“We take COVID seriously, and are not sending volunteers into facilities at this time. Volunteers who choose to visit individual patients inside their homes are equipped with full PPE. Others choose to write letters, send video messages, call, make memory boards, or find other creative ways to connect with their patients. We have COVID tests available weekly at our office on Mondays and Thursdays.”
